Subject: Asphalt Distributor – Bar Test

BAR Unit No: AD-2  
Truck VIN: 1FVHF0CV87DZ48629  
Truck Year of Manufacture: 2007  
Truck Make: Freightliner  
Truck Model: Columbia  
Tank Manufacturer: BearCat Mfg.  
Serial No.: 062007  
Year of Manufacture: 07/13/07  
Nozzle Set: 4  
Capacity: 4350 Fan width @ 12 in: 12"

Dear Mr. Parker

The above mentioned asphalt distributor was calibrated on March 19, 2011, and the distributor was leveled longitudinally and transversely prior to calibration.

The original strap was calibrated and verified and will remain in use. This calibration will remain in effect until such time as the tank is damaged or modified. The spray bar was checked and all tip flows are within 10% of the average.

Charts are attached for your use.

Regards,

Aziz Saber, P.E.  
113 Mossy Knoll  
Ruston, LA 71270
